Colt Foundation (PI)	2014-17	£60,000
BJA/RCoA (PI)	2015-18	£75,000
MRC Clinical Research Fellowship (supervisor)	2016-19	£202, 234

Postgraduate Research Student Supervision and examination

I have successfully supervised 8 PhD and 4 MD students and currently am supervisor for 2 PhD students. I have been an external examiner for PhDs in Physiology/Neuroscience (Imperial College, London), Pharmacology (University of Oxford), Biological Sciences (University of Plymouth) and Anaesthesia (University of Oxford, University of Manchester, University of Bristol) and also external examiner for an MD at the University of Auckland.

External Academic Positions and Awards

Council member, Anaesthetic Research Society	1992 –2002
Joseph Priestley Professor of the Royal College of Anaesthetists.	1996
Editorial Board member, British Journal of Anaesthesia	from 1996
Honorary Secretary, Anaesthetic Research Society	1996–2001
Co-opted member, Education Committee, Royal College of Anaesthetists	1997-2000
Editor, British Journal of Anaesthesia	1997 -2006
External Examiner, MSc Clinical Sciences, University of Plymouth	1998-2001
Co-opted member Research sub-committee, Royal College of Anaesthetists	1999-2001
Examiner, Royal College of Anaesthetists	2000 -05
Member, Research Committee, European Society of Anaesthesiology	2006-09
Hon Secretary to the Editorial Board, British Journal of Anaesthesia	2007-11
Council member, Anaesthetic Research Society	2008-15
Member, Pharmacology Sub-Committee, European Society of Anaesthesiology	2010-14
President, Anaesthetic Research Society	2010-15
Director without portfolio, British Journal of Anaesthesia	2011-16
Secretary, European Malignant Hyperthermia Group	2011-15
Chair, European Malignant Hyperthermia Group	2015-19

Reviewing Activities

I am a regular reviewer for Anesthesiology and British Journal of Anaesthesia and have also reviewed articles for British Journal of Pharmacology, Acta Anaesthesiologica Scandinavica, Anaesthesia, Anesthesia & Analgesia, European Journal of Anaesthesiology, Thorax, Pharmacology and Toxicology, Pflügers Archiv, Journal of Neurology, Neurosurgery & Psychiatry, European Journal of Human Genetics, FASEB Journal, JAMA and The Lancet.

I have reviewed grant applications for the Medical Research Council, Wellcome Trust, Department of Health, Agence Nationale de la Recherche (ANR, France), The PSI Foundation (Canada), British Journal of Anaesthesia, National Institute of Academic Anaesthesia, The Australian & New Zealand College of Anaesthetists, The Muscular Dystrophy Campaign and the Marsden Fund (New Zealand national cross-specialty grants).

Other markers of esteem

I have been invited to lecture on my research at meetings in the UK, Europe, North America, Asia and Africa. These include two World Congresses of Anaesthesiology, meetings of the European Society of Anaesthesiology, the Annual Meeting of the Chinese Society of Anaesthesiology and the Annual Meeting of the Japanese Society of Anaesthesiology and national meetings in Canada and India.
